PURPOSE (1/ 2)

We recognise that the welfare of all children is paramount and that all children and young people; regardless of ability or culture, have equal rights of protection. We have a duty of care when they are in our charge and we will do everything we can to provide a safe and caring environment whilst they attend our activities.

PURPOSE (2/ 2)

As members of SAFE, we aim at all times to attain the SAFE standards in all our activities with children, young people, their families and/or carers. We will achieve this by adhering strictly to this policy and the guidance and risk assessments. This policy aims to:

- Provide a procedure for safeguarding children and young people
- Ensure a culture of listening to children
- Ensure staff have mandatory safeguarding training, supervision and support
- Comply with local guidelines

PRINCIPLES

- Safeguarding is everyone's responsibility; for services to be effective each professional and organisation should play their full part.
- A child centred approach: for services to be effective they should be based upon a clear understanding of the needs and views of children.

RIGOROUS RECRUITMENT

- Appointment of any worker will only be confirmed subject to a satisfactory DBS check at the appropriate level.⁽¹⁾
- We will always take up two written references for the appointment of any permanent employees.
- At interview we have sound procedures and recording to ensure we are satisfied, and can evidence that the applicant is appropriate and suitable.
